## BLANKETS AND QUILTS.

Our **BLANKETS** for the Fall and Winter Season are now fully open for examination. Our sales have already been very large, but our arrangements with the mills are such that we shall be able to supply almost any demand.

### THE HURON BLANKETS

That we have sold so extensively in past seasons have been still further improved, and we can recommend them now with confidence as being the very best in the market for fineness of wool, size and weight.

Our assortment in Crib, Single Bed, and other sizes, is by far the largest in the city and are furnished in any quantity, from a single pair to the largest Hotel orders.

Our great facilities for procuring and distributing these goods enable us to afford them at but slight advances on factory prices, and thereby maintain ourselves as the leading house in the Blanket trade.

Prices range from Three to Twenty Dollars Per Pair.

**Patent Filter and Cooler.**  
 Why! suffer with the Gravel caused by mud? Why! suffer with Gripping Pains caused by drinking Ice water, when by having your water filtered and cooled as nature filters and cools the pure Spring water, you may avoid these ills?  
 The Schuykill water is rendered impure by the numerous factories, coal oil refineries, stinks, slaughter houses, dye works, etc. etc., which cluster on its banks.  
 By forcing this impure water through SCHARFF & WOOD'S PATENT FILTER AND COOLER it is rendered as pure as the waters that run from the mountain rills.  
 The expense is nothing in comparison to the benefit derived from its use.  
 In one season it will pay for itself in the saving of ice; it never gets out of order, and will last a life time.  
 For further particulars send for a circular.
